

**Menard County Soil and Water Conservation District  
Tree Seedling Order Form**

NAME: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

Shipping Address: \_\_\_\_\_

DATE: \_\_\_\_\_ Phone: \_\_\_\_\_

Requested Date of Delivery: \_\_\_\_\_

**Bundle sizes:** Trees must be ordered in bundles of 25 except for Black Walnut, which may be purchased in bundles of 10.

**Guarantee:** Trees are guaranteed to arrive in healthy condition and will be replaced at no cost if they arrive in poor condition. Landowners are required to report unsatisfactory shipments within 3 days of receipt in order to receive replacement trees at no cost. Due to the perishable nature of nursery stock, variability in storage, handling, planting, and weather conditions, the Menard County SWCD cannot guarantee tree survival and will not offer refunds for failed plantings.

**Cancellations:** Order cancellations for conifers must be made by 12/04/08. Cancellations for all other trees must be made prior to February 1, 2009. Refunds will be given for the full amount if cancelled prior to these deadlines.
